Illinois Sire—

SHOW
AT 9:00 A. M.
SALE
AT 12:30 P. M.
(CENTRAL STANDARD TIME)

Saturday,
OCTOBER 26th, 1946
NORMAL, ILLINOIS

This sale is held under the auspices of the Illinois Polled Shorthorn Breeders' Association with the cooperation of the American Polled Shorthorn Society.

Illinois is one of the best states in which to buy Polled Shorthorn Cattle and the Illinois Polled Shorthorn Breeders' Association is one of the strongest and most dependable of the state organizations. The many buyers who have attended the annual sales sponsored by this association have learned to regard these as among the best sources of supply for good herd bulls and for dependable, profitable females. From the very beginning of their annual sales program, Illinois Polled Shorthorn breeders have consigned many of their best productions and by so doing they have boosted breed progress in the state. Always these state sales have provided animals that have yielded attractive returns to the buyers . . . and always the prices have been moderate. Again in this sale they have furnished a well rounded offering, calculated to meet the needs of critical buyers as to ages, quality and breeding. These cattle are healthy; they are consigned by reliable breeders, and they will work improvement wherever they go. Study this sale catalog carefully. Note that the best of bloodlines are represented. Now is the time and here is the opportunity to build strength into Polled Shorthorn herds.

GENERAL INFORMATION

LOCATION—

This show and auction sale will be held on Saturday, October 26, 1946 at the Illinois Normal University Farm at Normal, Illinois. This farm is located at the junction of highways 51 and 66 at the north edge of town. The farm is 3 miles due north of Bloomington, Illinois, an important rail and traction center. Trucking and shipping facilities are of the very best.

SALE HEADQUARTERS—

Headquarters for the sale will be at the Illinois Hotel in Bloomington, Illinois.

MEETING—

A meeting of the Illinois Polled Shorthorn Breeders' Association will be held at the Illinois Hotel in Bloomington at 8:00 P.M. on October 25th (the evening prior to the sale). All Illinois and out-of-state breeders are invited to attend.

TIME—

The show will start at 9:00 A. M. Central Standard Time, on Saturday, October 26th. Earl S. Girton, Marshalltown, Iowa, will be the judge. The sale will start promptly at 12:30 P. M. J. E. Halsey and H. P. Miller will be the auctioneers.

THE MAIL BIDS—

We want you to come to the sale if you can possibly do so. If you cannot come, you may rest assured that mail or wire bids will be honestly and faithfully executed. They may be sent to Hal Longley of the Shorthorn World, 16 S. Locust, St., Aurora, Ill.; to Clinton K. Tomson, Secretary, American Shorthorn Breeders' Association, 7 Dexter Park Ave, Chicago, Ill.; Merl Abrams, Drovers Journal, Chicago; Lloyd Crouch, Farmers Guide, Huntington, Ind. or to the auctioneers. Messages sent to any of the above on the morning of the sale should be addressed in care of Illinois Normal University Farm, Normal, Ill.

INQUIRIES ABOUT CATTLE LISTED—

The sale manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animal listed in the catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Ill.

A THOROUGHLY HEALTHY OFFERING—

This is a thoroughly healthy offering. As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale and those that are not from accredited herds have passed a clean tuberculin test within the same period. Health certificates will be provided with each lot sold.

Show Classification & Premium List

Judge: EARL S. GIRTON, Marshalltown, Iowa

For the purpose of this show all animals have been divided into classes according to age and sex. There will be ten classes. Each sex will have a championship and a reserve championship. First prize animals in each class will be eligible to show for championships. A fund of \$295 has been accumulated by entry fees of \$5.00 per head. Of this amount, a total of \$175 has been apportioned for cash premiums at this show. The division of this money is shown below.

Class XI—The Carl M. Johnson Trophy—Carl M. Johnson, DeKalb, Ill., has proved a handsome trophy to be awarded to the best pair, bull and female, by one sire, bred and owned by exhibitor. This trophy will become the property of the winner for one year and will become the permanent property of any breeder who wins the award three times. R. D. Potter & Sons, Avon, Ill., won this trophy in 1944 and 1945.

TERMS AND CONDITIONS

GUARANTEE—

All cattle in this sale are sold under the standard form of guarantee endorsed by the American Shorthorn Breeders' Association.

HEALTH—

All animals are sold subject to a 60-day retest for tuberculosis, or to comply with the laws of the state into which they may be shipped. Animals shall be segregated from the buyer's herd until the retest is made except the herd be a Federal Accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State Veterinarian deputized by the State Veterinarian, who is cooperating with Federal Veterinarian and qualified to do accredited herd testing. Purchase price to be promptly refunded upon proof of tubercular reaction, except that the purchaser shall agree to accept a substitute. Every animal in this sale has been tested for Bang's Disease within 30 days of the date of the sale. Health certificates will be provided with each lot sold.

PEDIGREES—

Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale and without trouble to the purchaser, but at the risk of loss or injury after being bid off.

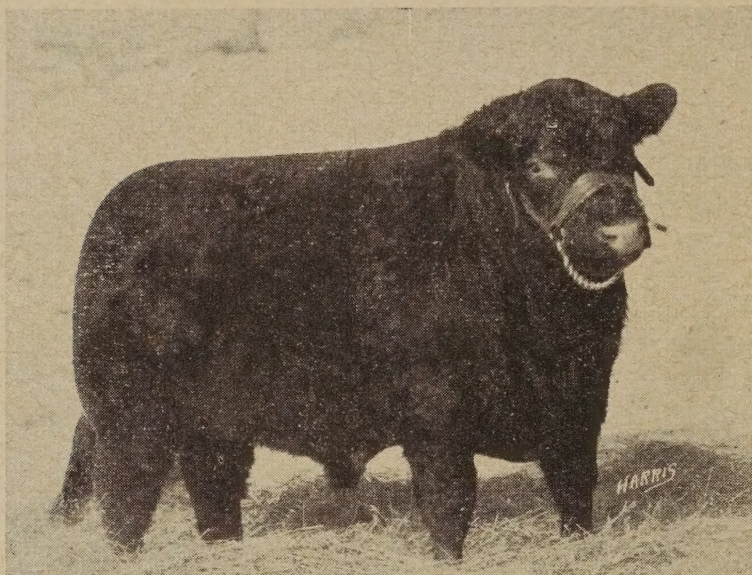

TERMS—

The terms of this sale are cash unless arrangements are made in advance with the consignor from whom you purchase. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed. All stock will be at buyer's risk as soon as bid off but the management will attend the loading on cars or trucks in compliance with instructions from purchaser.

The above guarantee and terms constitute a contract between the consignor and buyer of each lot. Neither the American Polled Shorthorn Society, the Illinois Polled Shorthorn Breeders' Association, the clerk of the sale, nor the individual designated as Sale Manager assumes any liability, legal or otherwise.

Where footnotes appear in this catalog they were furnished by the consignors or written from information supplied by the consignors.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of our guests.

Dale's Crown x—One of the great Polled Shorthorn sires of the present day. He is the sire of Shadybrook Sensation 44th whose service will be featured in the consignment of P. N. Setterdahl & Sons.

The above picture was taken on the farm of Carl M. Johnson, president of the Illinois Polled Shorthorn B

Come to ILLINOIS for the Real Improvers

It is not easy to buy Polled Shorthorns at private treaty. All of those that are offered in this sale could have been sold very easily . . . but they have been held for this sale. There are 58 of them . . . a fine selection. We ask that you note particularly the large number of serviceable age bulls as well as the large number of richly bred heifers that are daughters of noted sires. Take advantage of this fine buying opportunity.

Breeders' Association.

Polled Shorthorns are the most practical and most profitable cattle for Corn Belt farms today. Packer buyers pay a premium for fat cattle without horns; farmer bull buyers prefer the hornless type; small breeders are buying Polled bulls in order to more easily fill the farmer needs; there is no doubt but that Polled Shorthorns are the "Ultimate Type." The future is bright. Present prices are moderate. Why not buy now? This sale provides a good source of supply.

Here are a few of the choice ones in the herd at Collins Farm.

Lady Fair 9th x—A red, growthy heifer of the Lady of the Meadow family and one we would prefer to keep on our own farm. We have produced four full sisters from her dam, one selling in the Congress Sale, one to J. W. P. Kerr, Yates City, Ill., one to Dean Stegall, Victoria, Ill., and one in the herd. All members of this family are prolific producers and heavy milkers. The dam of this heifer is a six gallon cow and has fed two calves each year for the past four years. Vaccinated for Bangs as a calf. Mated to Shadybrook Sensation 44th x by the great Dale's Crown.

(Left) Oakwood Magic King x—The outstanding son of the International grand champion, Oakwood Merry King x that was used with such great success at Leemon Stock Farm. Two of his daughters are selling in this sale.

(Right) Collynie Success x—A son of the noted Collynie Front Rank x, twice grand champion at the Nebraska State Fair. This great calf is now in service at Leemon Stock Farm and two heifers in this sale are carrying his service.

Cer. Rosewood 8th x is another fine heifer. Her sire is rich in Oakwood breeding and her dam comes from one of our best families. She's also bred to Collynie Success x,

When the 1945 Polled Shorthorn Congress Show and Sale was held at Memphis the Illinois Committee selected five heifers sired by Maxwalton Walkaway x as the best representatives for the state group show. This group stood second among all state groups. The five heifers are shown above. Nine equally choice heifers and a grand young herd bull prospect, all sired by Maxwalton Walkaway, are being offered in this sale by Marshall L. Boyle.

Memorandum

You Too Will Find Polled Shorthorns More Profitable Because

. . . they are the most progressive breed of cattle on earth. . .

. . . naturally hornless cattle answer the question of how best to avoid the shrink, the cost and the horror of annual dehorning jobs. . .

. . . feedlots and pastures are safer for children, helpers and owners of farms where Polled Shorthorns are bred . . .

. . . they are the most efficient producers of beef and milk of all breeds of cattle. . .

. . . they are readily adaptable to any climate. . .

. . . they are gentle, thrifty and raise their calves to greater weights at any given age. . .

. . . the demand for Polled shorthorn breeding stock is increasing annually, which means a steady market at substantial prices.

—and if you are seeking Polled Shorthorns of the most approved type and breeding at prices you can afford to pay, do not fail to attend this show and auction sale.
